3. Plaintiff, NIGEL FRANK DE LA TORRE PARDO, is an individual over eighteen years of age, with a residence in Miami-Dade County, Florida, and is otherwise *sui juris*.

4. At all times material, Defendant, BH SOUTH DIXIE SL MALL LLC, owned and operated a commercial property at 20505 South Dixie Highway, Miami, Florida, 33189, (hereinafter the “Commercial Property”) and conducted a substantial amount of business in that place of public accommodation in Miami Dade County, Florida.

#### FACTUAL ALLEGATIONS

7. Although over thirty (30) years have passed since the effective date of Title III of the ADA, Defendant has yet to make their facilities accessible to individuals with disabilities.

8. Congress provided commercial businesses one and a half years to implement the Act. The effective date was January 26, 1992. In spite of this abundant lead-time and the extensive publicity the ADA has received since 1990, Defendant has continued to discriminate against people who are disabled in ways that block them from access and use of Defendant's property and the businesses therein.

9. The ADA prohibits discrimination on the basis of disability in 28 CFR 36.201 and requires landlords and tenants to be liable for compliance.

10. Plaintiff, NIGEL FRANK DE LA TORRE PARDO, is an individual with disabilities as defined by and pursuant to the ADA. NIGEL FRANK DE LA TORRE PARDO uses a wheelchair to ambulate. NIGEL FRANK DE LA TORRE PARDO has very limited use of his hands and cannot operate any mechanisms which require tight grasping or twisting of the wrist. He has lower paraplegia, inhibits him from walking or otherwise ambulating without the use of a wheelchair. He is limited in his major life activities by such, including but not limited to walking, standing, grabbing, grasping and/or pinching.

11. The Plaintiff is a staunch advocate of the ADA. Since becoming aware of his rights, and their repeated infringement, he has dedicated his life to this cause so that he, and others like him, may have full and equal enjoyment of public accommodations without the fear of discrimination and repeated exposure to architectural barriers in violation of the ADA.

12. He is often frustrated and disheartened by the repetitiveness of the complaints he is forced to make to employees and management at different places of public accommodation over thirty (30) years after the legislation of the ADA, to no avail. The Plaintiff is accordingly of the belief that the only way to affect change is through the mechanisms provided under the ADA.

13. Defendant, BH SOUTH DIXIE SL MALL LLC, owns, operates, and oversees the Commercial Property, its general parking lot and parking spots specific to the businesses therein, located in Miami-Dade County, Florida, that is the subject of this Action.

14. The subject Commercial Property is open to the public. The individual Plaintiff visits the Commercial Property and businesses located within the commercial property, to include visits to the Commercial Property and business located within the Commercial Property on or about November 15, 2024, and encountered multiple violations of the ADA that directly affected his ability to use and enjoy the Commercial Property. He often visits the Commercial Property in order to avail himself of the goods and services offered there, and because it is approximately eleven (11) miles from his residence and is near other businesses and restaurants he frequents as a patron. He plans to return to the Commercial Property within four (4) months of the filing of this Complaint, in order to avail himself of the goods and services offered at the place of public accommodation and check if it has been remediated of the ADA violations he encountered.

15. The Plaintiff found the Commercial Property and the businesses named herein located within the Commercial Property to be rife with ADA violations. The Plaintiff encountered

architectural barriers at the Commercial Property, and businesses named herein located within the Commercial Property, and wishes to continue his patronage and use of each of the premises.

16. The Plaintiff has encountered architectural barriers that are in violation of the ADA at the subject Commercial Property and businesses located within the Commercial Property. The barriers to access at the Commercial Property, and businesses within, have each denied or diminished Plaintiff's ability to visit the Commercial Property and have endangered his safety in violation of the ADA. The barriers to access, which are set forth below, have likewise posed a risk of injury(ies), embarrassment, and discomfort to Plaintiff, NIGEL FRANK DE LA TORRE PARDO, and others similarly situated.

17. Defendant, BH SOUTH DIXIE SL MALL LLC, owns and/or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201 (a) and 36.104. Defendant, BH SOUTH DIXIE SL MALL LLC, is responsible for complying with the obligations of the ADA. The place of public accommodation where Defendant, BH SOUTH DIXIE SL MALL LLC, owns and/or operates the Commercial Property located at 20505 South Dixie Highway, Miami, Florida, 33189.

18. Defendant, BH SOUTH DIXIE SL MALL LLC as landlord of the commercial property is liable for all the violations listed in this Complaint.

19. Plaintiff, NIGEL FRANK DE LA TORRE PARDO, has a realistic, credible, existing, and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to the described Commercial Property, and with respect to the allegations of this Complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination at the Commercial Property, in violation of the ADA. Plaintiff desires to visit the Commercial Property and business located therein, not only to avail himself of the services

available at the Commercial Property, but to assure himself that the Commercial Property and business therein are in compliance with the ADA, so that he and others similarly situated will have full and equal enjoyment of the Commercial Property without fear of discrimination.

20. Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the Commercial Property and business located therein, as prohibited by 42 U.S.C. § 12182 et seq.

The individual Plaintiff, and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA, as requested herein. Plaintiff requests the inspection of the barriers listed herein in order to participate in crafting a remediation plan to

address Plaintiff's request for injunctive relief.

25. Defendant has discriminated against the individual Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility, in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Further, injunctive relief will serve the public interest and all those similarly situated to Plaintiff.
